

LED light strip encapsulated in an aluminium extrusion with TecSeal

TecNiq's New E45 Slim Light

LED strip lights are often installed on slightly curved, uneven or a wide variety of surface finishes such as wood, fiberglass and metal. For these applications, a secure, permanent mounting method is needed, especially when high heat and/or humidity is expected. TecNiq's new E45 Slim Light is the perfect solution. Available in standard or premium lumen output, they install quickly and easily with durable powder-coated clips. Ideal underneath a gunwale, shelf, step or other site with extremely limited space, they deliver the same performance, reliability and value as TecNiq's other lighting products, and come with a limited lifetime warranty.

Installation of E45 Slim Lights is a breeze and highly adaptable. Flat or perpendicular clips are fastened with a simple #6 pan head screw. Once wired, the fixtures are simply snapped into place, making it especially easy to install when complete access is limited. The lights are easily daisy-chained for lengths greater than 47.5" or when a unique configuration is needed.

- Premium models offer twice the brightness
- Easy installation, snaps into place with flat and 90° mounting clips
- Available in 7", 11.5", 25", 47.5" lengths
- Sealed with TPE end caps for superior protection
- 50,000-hour life performance rating

Part Number	Description	Typical Amp Draw	Lumens	Connector
E45-OB03-1	Black Parallel Mount Clip (Qty 2)			
E45-OB04-1	Black Perpendicular Mount Clip (Qty 2)			
E45-W010-1	3 LED 7" Black Aluminum Extrusion Lamp, Standard, White LED	0.10A	150 lm	9" Pigtail Unsheathed
E45-W020-1	6 LED 11.5" Black Aluminum Extrusion Lamp, Standard, White LED	0.20A	300 lm	
E45-W050-1	12 LED 25" Black Aluminum Extrusion Lamp, Standard, White LED	0.50A	750 lm	
E45-W100-1	24 LED 47.5" Black Aluminum Extrusion Lamp, Standard, White LED	1.00A	1500 lm	
E45-WBP01-1	3 LED 7" Black Aluminum Extrusion Lamp, Premium, White LED	0.20A	300 lm	
E45-WBP02-1	6 LED 11.5" Black Aluminum Extrusion Lamp, Premium, White LED	0.40A	600 lm	
E45-WBP05-1	12 LED 25" Black Aluminum Extrusion Lamp, Premium, White LED	1.00A	1500 lm	
E45-WBP10-1	24 LED 47.5" Black Aluminum Extrusion Lamp, Premium, White LED	2.00A	3000 lm
