

While only 3/8" thick, the **E13's** ultra-efficient lens provides a bright and even distribution of light. Cool to the touch, they are ideal for use for countertops, under cabinets and for illuminating work surfaces. Available in several LED colors, these lights are sure to provide years of maintenance-free service.

See [www.TecNiqInc.com](http://www.TecNiqInc.com) for more details and a complete list of part numbers.
