

Incorporating a new ultra-efficient lens design, TecNiq's LED license lamps provide bright, even illumination that exceeds government requirements. TecNiq has incorporated the best materials to create a durable and bright LED lighting solution. Models L10 & L11 project about 2 inches from the mounting plane and are designed to meet DOT requirements.

See [www.TecNiqInc.com](http://www.TecNiqInc.com) for complete details and a complete list of part numbers.

**L10/L11**  
**DOT Rated  
LED License Lamp**

**Technical Features:**

- ✦ SAE DOT rated
- ✦ IP68 Rated – Dust and Waterproof
- ✦ Available in our black or chrome finish
- ✦ Durable impact lens
- ✦ Easily mount using just (2) screws
