

Following the success of our 4" round tail lamp, TecNiq has introduced a line of 6" oval stop-turn-tail lamps. TecNiq's **T60** is offered in horizontal and vertical mounting styles for DOT compliance. These lights employ the same world leading lens design and high quality construction used throughout our product line to create a top quality, cost-effective lighting solution.

See www.TecNiqInc.com for more details and a complete list of part numbers.
