

TecNiq's **T80** is able to meet all requirements for stop, turn, tail, side marker, clearance marker, rear reflector, side reflector and license plate light in a revolutionary, cost-effective design. The **T80** meets over 80" and under 80" requirements. With a sonic-welded case and potted electronics, this light will survive the harshest environment. And, unlike the competition, TecNiq's light is actually **SUBMERSIBLE!** See www.TecNiqInc.com for more details and a complete list of part numbers.

Technical features

- ✦ Multi-Function 8" low profile tail light
- ✦ IP68 Rated - Dust and water proof with hermetic seal
- ✦ Meets all FMVSS 108 requirements for narrow and wide vehicles
- ✦ Fits standard mounting as a direct replacement
